Hi Tony!

How are you and your sister finding Darwin? I'm sure mum and the family are missing you while you are up north!

Thank you for thinking of me for your class. If you want to get into the field of IT and computer science then I would recommend.....

I enjoy.....

It can be a bit difficult in IT sometimes because of.....

Hi Monti youre my uncle through Aunty Lana. Mum gave me your email. I am at school in darwin with my sister and we have to talk about what jobs we want for class and I said I want to do IT like you! Do you enjoy it? any tips for how to do it? I looked you up online proper computer scientist! What is your favourite part of IT? Can I do a presentation on you because I think my class reckon you pretty deadly.
