5. Morning Tea & Networking

What sparked your interest in tech?

Favourite invention?

Who is a woman in tech who inspires you?

A goal of yours you'd like to complete in the next five years?

Favourite website?

Favourite movie or show?

If you could instantly learn one new skill, what would it be?

What is your dream job?

If there was no dress code, how would you dress for work?

You can have dinner with a woman from any point in history. Who is she?

Favourite animal?

Best advice you've ever been given?

Favourite thing about Perth?

Where would you work, if not in tech?

What does your daily routine look like?

Make a prediction about the future of tech.

What would you tell a young woman wanting to go into tech?

Start-ups vs big companies, what are your thoughts?
